

Journey into Heritage: A Captivating Day Tour of District Six, Langa Township, and Robben Island.

08:00 - 08:45 AM: Depart for a guided drive through District Six

Begin your day with a comfortable pick-up from the CTICC 1 pick-up/Drop off location in Cape Town (<https://maps.app.goo.gl/haDZHsjBMZwtaZU5A>). Our expert guide will be awaiting you in marked WCCA conference vehicles.

A guided drive through District Six, located just off the centre of Cape Town. District Six was established in 1867 as the sixth district of Cape Town and was initially a community of freed slaves, merchants, artisans, laborers, and immigrants. You will learn about its history and significance.

09:00 - 10:30 AM: Walking tour of Langa Township.

Next, you'll embark on a walking tour of Langa Township, which started its construction in 1927. Langa Township played a crucial role in providing homes for the workers who helped build Cape Town's harbour. The township was designed to allow authorities maximum visibility and control over its residents. Despite being one of the smallest townships in the city, Langa has experienced rapid growth over the years, with approximately 80,000 people currently residing there. You will explore the township, witnessing its daily life and challenges.

10:30 - 11:00 AM: Travel to Mzansi's restaurant.

After the walking tour, you will travel to Mzansi's restaurant, where you can enjoy a light meal and drinks. This will be a chance to relax, reflect on the experiences of the morning, and immerse yourself in the local culture.

At Mzansi's restaurant, you will not only indulge in delicious light meal but also be entertained by a marimba band. The lively music will add to the vibrant atmosphere and provide a unique cultural experience.

12:30 PM: Robben Island.

After lunch, your guide will transport you to Nelson Mandela Gateway at the V&A Waterfront harbour, where you will board a ferry for a scenic trip to Robben Island. Once on the island, the tour will be guided by a former political prisoner who will share firsthand accounts and insights into the history and significance of the island.

Robben Island Tour Tickets:

To book tickets, we require the guest's full name, country of origin, and passport number 7 days in advance of the tour to book Robbin Island ferry tickets.

17:30 PM: Concluding Tour.

After the Robben Island tour, you will return to the V&A Waterfront, where the tour concludes. You will be transported back to the CTICC 1, marking the end of your full-day Heritage Tour.
