## Microbrewery Exclusive

- **WIZARD OF WIT (BELGIAN WIT)**  
Refreshingly crispy, a top fermented beer that takes you to experience a pleasant flavor of sweet malted barley, entwined with orange peels and coriander seeds. Indeed, a true incarnation.
- **BARBARA WEISSAND (HEFEWEIZEN)**  
A high fermented Beer Type Weiss. Delicately Fruity notes, with hints of cloves. The taste is soft, slightly reminiscent of Banana, presenting a slight acidity. A flavour traditionally loved by the Royals of Bavaria.
- **PIP 'N' PEEL (APPLE CIDER)**  
Blush red and smooth skinned apples from the paradise of earth... Kashmir. Deliciously fermented apples, which are superior in terms of quality and taste. The crispy, sweet and juicy texture is a treat to the tongue.
- **CLOUD BLACK (STOUT)**  
A dark beer. Resulting in an opaque, black color with hints of dark chocolate and roasted coffee flavors. The dark color comes from roasted malt.
- **BOMBAY DOCK (INDIA PALE ALE)**  
Notably as an export beer shipped to India. India Pale Ale was well known as early as 1815. A hoppy beer style within the broader category of pale ale barley. A perfect match of Malt and hops.
- **FINCH SPECIAL LAGER (GERMAN LAGER)**  
Brewers use simple ingredients to make the straw amber-colored lager, including flaked rice, traditional hops, Pills malt, Germanlager yeast, and water resulting in a dry, crisp and delicate lager. If you like sparkling, crisp, and slightly fruity flavors, this is the right drink for you.
