RISENTAEKWONDO.COM

**STUDENT RESOURCE PAGE : RISENTKD.COM**

At Risen Taekwondo, we believe in a partnership between us, parents/guardians, and teachers to provide the best program for our students. We strive to not only help our students set goals in Taekwondo, but also focus on their manners and work ethic at home and at school. If there is anything we should keep in mind as we evaluate them for their next belt, please include your feedback/details below. Conversely, if there is anything they are excelling at, worth noting, or if you would like to share words of encouragement; please include those below!

Thank you for your support and for all that you do to support our student and our school!
