

STUDENT CREED

I will develop myself in a positive manner.
Gaining self-discipline and self-control to be the best that I can be.
Winners never quit and quitters never win.
And I choose to be a winner.

I am developing myself in a Black Belt School.
I will build confidence through knowledge in my mind,
honesty in my heart, and strength in my body.

I will respect and always do right by my family,
my community, the sport, and my country.

Sir/Ma'am!
