Gain Confidence Around Your Finances

1 All Are Welcome

Whether you are newly financially independent, or well established, all levels are welcome to attend this workshop. Whether you are preparing for retirement, or starting a family, this information is relevant to all phases of life and financial planning.

3 Safe Learning Atmosphere

A key component of this workshop is to provide a safe learning environment for all attendees. Rita recognizes that money can be emotional topic to discuss, and her goal is to create a space that is safe, nonjudgmental and welcoming to all who are committed to learning.

2 Get Informed

This one hour workshop is designed to provide an introduction to advanced topics. By exposing you to new skills and strategies, you may continue to explore topics covered that align with your financial goals for the future.

4 Build Confidence

Leveling up can start with small steps that amount to large leaps. Whatever your comfort level is around money, the most important result is gaining confidence. Exposure, repetition, and one on one opportunities to dive deeper will contribute to building that solid foundation.
