CRM Enterprise is a premier provider of corporate gifts, promotional products and branding solutions. With a commitment to delivering exceptional products and services, we help businesses enhance their brand visibility, foster client relationships, and create memorable experiences through carefully curated gifts and merchandise. With a focus on quality, customization, and client satisfaction, CRM Enterprise stands as a trusted partner for companies seeking to elevate their corporate gifting and promotional strategies.

speed	price	care
fast and reliable	cost effective, high quality	economic improvement
quick turnaround	low minimum orders	support local business

# PAVING THE FUTURE

Established in 2018, CRM Enterprise is a privately owned company dedicated to keeping your brand at the forefront of clients' minds. We offer an extensive array of services, including Corporate Gifts, Promotional Products, Branded Apparel, PPE, and Branding Solutions. CRM is proudly 100% Black Female Owned and boasts a Level 1 B-BBEE rating. Additionally, we are a certified member of the Resellers Association of South Africa (ROSA).

Within our business, CRM Connect operates as an Internet Cafe section with a focus on providing essential administrative services to SMMEs. These services encompass Company registrations, Business Compliance, typing, printing, photocopying, web design & development, as well as graphic design services.

To build a sustainable business that empowers South Africa's youth and contribute to the country's economic growth. We aspire to be the top choice for high-quality Corporate Gifts and Promotional Products, inspiring consumer trust in our clients' brands.

To offer exciting range of products and to serve our clients with passion and excellence.

Empower businesses to create lasting impressions with innovative corporate gifting and promotional solutions, delivering unmatched value, creativity, and professionalism to ensure our clients' brands shine.

Our strategic alliances with successful suppliers ensures that we deliver our products on schedule as per our lead times.
