

Green Certified H2O2 Orange Cleaner Hyper-Concentrate

One Product + Two Dilutions 95% of General Cleaning

Our unique hydrogen peroxide technology in a multi-purpose, neutral pH cleaner with cold-pressed Orange Oil. Excellent deodorizer, glass cleaner, tile renovator and more!

General Cleaning

- Glass cleaner
- Stainless steel polish and cleaner
- Neutral floor cleaner
- Restroom cleaner
- Carpet spotter
- Carpet cleaner
- Food degreaser
- Deodorizer
- Tile & grout renovator and more!

Degreaser

Cuts grease with neutral pH. Use on any water-safe surface. Grease-free, residue-free results.

Deodorizer

Eliminates odor causing bacteria. Penetrates surfaces, oxidizes and eliminates source of odor.

Simplicity.

- 1 product, 2 dilutions, 95% of general cleaning.
- Easy visual training materials. Train in Ten™ on only 1 product instead of dozens.
- Safer, healthier products are practically impossible to misuse*.

Savings.

- Our incredibly versatile technology allows you to replace dozens of expensive specialty cleaners.
- Reduce surface damage and staff injury, saving you on costly repairs and worker's compensation.
- Easy, quick training means less time and money spent.
- Don't be fooled by low case price; look at in-use product cost. Ask for your cost comparison today!

Amazing Results.

- Our proprietary hydrogen peroxide technology penetrates deep, breaking down and lifting soils for easy cleaning with little residue. No more sticky surfaces!
- Get great results as a glass cleaner, neutral floor cleaner, restroom cleaner, carpet spotter, carpet cleaner, tile & grout renovator and much more.
- Let us show you Pure Crafted® technology in action. **Ask for a demo on grout, glass and carpet.** Same product, 3 incredible results.

Pure Crafted®

At EnviroX, we are passionate about people.

We believe that clean doesn't have to come at a health cost; you can have a safe, low-toxicity, healthy facility without sacrificing cleanliness, quality or ease of use.

That's why our Pure Crafted® products are carefully formulated to contain only the minimum amount of surfactants needed. This means our products are safer, healthier and leave far less residue than typical cleaners. No more sticky surfaces that get dirty quickly and can harbor bacteria and viruses. Plus, you can instantly simplify your cleaning program, reduce costs and get excellent cleaning results.

This is the core of EnviroX's product development philosophy and our promise to you. Excellent cleaning results— with no harm to your people, your facility or your budget.
