Obituary

Armani Toni Woodfox was born in New Orleans, Louisiana on May 24, 1997 to Anthony and Clintal Nicole Williams Woodfox. She was the youngest of five children. Armani was known as "Mani" or "Princess Mani" to everyone. She went to heaven on September 7, 2022. She was preceded in death by her paternal grandfather Leroy Anthony Woodfox, maternal grandmothers Barbara Ann Williams and Debra Shaw, her Godfather Larry Howard and two uncles Sherman Smith and Lavell L. Williams.

Mani attended Heritage Academy in Atlanta, Georgia from September 2004 - May 2007. She then continued at Oakland Meadow School in Lawrenceville, Georgia from September 2007 - May 2018. Despite having many hospital visits and over 100 surgeries before her third birthday, Mani graduated from Oakland Meadow School.

Mani's accomplishments consisted of getting crowned as Princess at the Heritage Academy Sweetheart Ball. She was a model for Chick-fil-a. She was also featured on a billboard for advertisement for Armani's Heroes Incorporated. Mani received the Best Dressed Award several times at Oakland Meadow School. She was also featured in a medical article which discussed how the doctors in France invented the first wooden shunt because she had allergic reactions to the silicone shunts. This was a successful surgery.

Every morning *Mani* would hum to Gospel songs as she began her day. She brought so much love and joy to everyone that she met. After every surgery, Mani would have a smile and her smile would light up the room. Our family knew that if you weren't feeling well or just having a bad day; all you would need to do is lie down next to Armani and she would help you to feel better. Armani was a great listener and she never told anyone's secrets. She also liked to join in on your conversation if you were talking on the phone. She was also an excellent babysitter and she never charged for her services. Her favorite TV show was SpongeBob SquarePants; her favorite Gospel song was Stomp by Kirk Franklin. Her favorite movie was Dream Girls.

Armani is the inspiration behind the nonprofit foundation "Armani's Heroes Incorporated" which specializes in helping adults and children with special needs (Heroes) and their families.

Mani leaves to cherish in loving memories: parents - Anthony & Nicole Woodfox, four siblings - Shanlavell (Gabrielle) James, Hattiesburg, MS; Quaz'Jun, Donald and Derrick Williams, Conyers, GA; two uncles - William (Keyah) Shaw III, Chalmette, LA and Brian (Shedrika) Smith, New Orleans, LA; three aunts - Natashia (Troy Jefferson) Williams, LeQuana J. Shaw, New Orleans, LA and Brittany C. Brown, Honolulu, HI; four nephews - DeAngelo Turner, Rodney Wooten, Karter Williams and Kashmere Ward; four nieces - Meyah Williams, Leilani Wooten, Avianna Williams and Na'Ava Williams; Devoted grandfather William Shaw, II, New Orleans, LA; Devoted Grandmother Theresa Trass, New Orleans, LA, Special Great Aunt Mona Lisa Woodfox, New Orleans, LA, Loving Godmother Penelope Howard, Montgomery, AL; Awesome God Brothers & Sisters and a Host of other Relatives, Friends and Heroes.

Armani Toni Woodfox purpose was fulfilled as she transitioned to Heaven on the 7th day of September. The number **Seven** represents completion!

Recessional

In Loving Memory of Our Princess

*The day you left and gained your wings
our hearts just broke in two
We wish you could have stayed with us
But Heaven needed you
You left us with the memories
And we love you dearly still
No matter how much time goes by
You know we always will
You were a very special person
With kindness in your heart
And the love we had together
Grows stronger now that we're apart
We know we cannot bring you back
Although we wish we could
But a piece of us went with you
The day you went home.*

Lovingly, Dad & Mom

Never Forget You

*Your presence I will surely miss.
Your memory I treasure
Loving you always Little Princess
Forgetting you never
For you now will wear your Crown in Glory.
