

GENEX L20

Multi-Purpose Cleaner

alpro®

PRODUCT DESCRIPTION

GENEX L20 is a general purpose cleaner formulated to use on all surfaces not harmed by water. GENEX L20 is easy to use and has an outstanding cleaning ability; it easily breaks down on dirt, vegetable oils, fingerprint and other soils. GENEX L20 has a wide variety of applications such as dishwashing, floor and wall cleaning, table wiping, equipment cleaning, utensils cleaning and all other hard surface cleaning, therefore eliminates stock of large chemical inventories.

GENEX L20 does not contain harmful solvent or harsh chemicals, therefore safe to environment and safe to hands. Recommended for use in F&B outlet, food processing industries, cafeteria, pantry, canteen, hotel and many more.

ADVANTAGES

- Tough on dirt, yet gentle to hands.
- Less inventory
- Leaves no film on cleaned area
- Environmentally and Ecologically sound – Easy disposal
- Low usage cost combined with maximized cleaning result

SPECIFICATION

Biodegradable	: Yes
Rinsing	: Complete
Foam Generation	: High
Hard Water Tolerance	: High
pH	: 11 - 12
Appearance	: Liquid Lime Green
Fragrance	: Lime
Viscosity	: Not determined
VOC	: NIL
Shelf Life	: 24 months
Storage	: Cool and dry area

DIRECTIONS

Always wear appropriate protective clothing and read product label and safety data sheet before use.

Recommended Dilution Guide

	GENEX L20	Water
Ware Washing	250 ML	10 L
Soiled Floor Cleaning	500 ML	10 L
Equipment Cleaning	400 ML	10 L
General Cleaning	250 ML	10 L
Heavy-duty Cleaning	1000 ML	10 L

Ware Washing

A double sink is recommended for washing and rinsing. Pre-clean and rinse articles to be washed, and immerse into first sink containing GENEX L20 solution. Use a sponge or suitable cloth to loosen soil and dirt. Re-immerse into GENEX L20 solution. Remove from the first sink and submerge into second sink containing rinse water. Remove to air-dry before storage.

Soiled Floor Cleaning

Fill bucket with GENEX L20 solution. Using a mop, submerge into GENEX L20 solution, and spread evenly across the floor. Wet mopping to loosen dirt. Rinse floor thoroughly with potable water.

Equipment Cleaning

Fill GENEX L20 solution into a small bucket. Immerse sponge, cloth or brush into GENEX L20 solution, and spread onto soiled surfaces. Apply appropriate circular scrubbing technique to loosen soil and dirt. Rinse all cleaned surface thoroughly with potable water.

GENEX L20 has successful application using foamers, high pressure sprayers, soak tanks and manual cleaning method.
