

MAGTEX HD

Viscous Toilet Bowl Cleaner

alpro[®]

PRODUCT DESCRIPTION

MAGTEX HD is an acid hydrochloric-based toilet bowl cleaner for removing stains such as rust, lime scale, scum and hard water deposits. MAGTEX HD is combined with deep penetrating properties that loosens soil for easy soil removal without damaging the surface. MAGTEX HD is pleasantly fragranced and does not emit fume during usage. It leaves the surface bright and shiny with a fresh clean look.

Also recommended for use in washrooms area and public toilets in schools, malls, buildings, factories, clinics, healthcare, offices, hotels and many more.

ADVANTAGES

- Less workload.
- Tough on stains.
- Foaming on use.
- Environmentally and Ecologically sound – Easy disposal
