Always wear appropriate protective clothing and read product label and safety data sheet before use.

Recommended Dilution Guide

	RIDWAX LD	WATER
General Cleaning	2 L	8 L
Heavy-Duty Cleaning	6 L	4 L

SURFACE CLEANING

Test on isolated floor area to ensure no adverse effect occurs. Spread solution on floor, allow to set for about 5 mins. Scrub using a rotary scrubbing machine with black pad for total stripping, or green pad for surface stripping. Do not use machine agitation for wood floors, just mop. Vacuum up the residue with wet/dry vacuum cleaner. Mop and rinse thoroughly with water to remove all residues. Allow complete drying before applying sealer or finish.
