The MicroGuard mat features nylon fibers treated with Microban® anti-microbial technology to guard against microorganisms, minimizing the risk of odors.

- **Resilient** - high-twist, heat-set nylon resists crushing, traps dirt, and extends useful life of mat
- **Odor resistant** - antimicrobial system is permanently bonded to each carpet fiber, providing effective lifetime control of odors
- **Safe** - certified slip-resistant by the National Floor Safety Institute
- **Durable nitrile rubber backing** (available in 52, 65, or 90 mil)
- **Static dissipative**
- **Commercially launderable**
