On this Tuesday Morning we feature Canadian, Brad Reid who plays modern, original fiddle music, rooted in the style of Cape Breton, Nova Scotia. Freely exploring all that is possible within the Celtic genre with expression and a sound of his own, his music fuses spontaneity with innovation and tradition, reaching audiences from small pub sessions to large concert halls.

Brad Reid will feature in the March 2021 Edition of IRISH MUSIC MAGAZINE published February 1st. Check out the album NEW SCOTLAND
