Hello folks. Tomorrow on my show, Cape Breton Calling, during my two artist profiles, I will be highlighting songs by Hank Middleton as well as John Campbelljohn. I will also have the fiddling style of [Brad Reid](#) as my featured fiddler throughout the show.

In addition to my regular music, I will close out my show with my friend [Carl Bond](#) performing his song entitled Father to commemorate Father's Day.

So please join me tomorrow, Jun 19th from noon 'til two right here on CIOE, 97.5 FM, the Voice of East Coast music. Or you can also catch us streaming live at [www.communityradio.ca](http://www.communityradio.ca)
