School-Parent Compact for Achievement 2023-2024

Blackfoot Charter School

A School-Parent Compact is an understanding of common responsibilities between home and school. This is a three-way agreement that parents, students, and teachers develop together. It establishes a commitment to help our students reach their highest potential.

JOINTLY DEVELOPED

The parents, students, and staff of Blackfoot Charter developed this School-Parent Compact for Achievement. Meetings or surveys are available each year to review the compact and make changes based on student needs. Parents are welcome to contribute comments at any time.

If you would like to volunteer, participate, and/or observe in the classroom, please contact the school at 208-785-0381, 208-782-0744 or email swilliams@bcclc.com or aandersen@bcclc.com.
