

#GSASummit2024

Welcome to the 16th Annual GSA Leadership Summit! This is a unique opportunity for you to meet other LGBTQ+ students and advisors, and be energized and equipped to advocate in your schools and communities for safer, more inclusive spaces.

We are excited to welcome Zora Thomas as our Keynote speaker. Zora is a transgender military veteran and an intersectional trauma-healing content creator. Through stand-up comedy, writing, and life coaching, she is trying to save the world with radical self-love, self-accountability, and intersectionality. She is here to remind everyone that we are brilliant in our creation alone.

This event is presented by the LGBT Center of Central PA. Thank you to the workshop facilitators, GSA advisors, students and tech support for making this event possible! Detailed workshop descriptions and schedules will be available soon.

Please reach out to the Center at (717) 409-5781 or info@centralpalgbtcenter.org to let us know how we can support you throughout the year! Follow us on Facebook and Instagram @LGBTcentralpa to stay up-to-date with events and programs that are going on.

Enjoy the day!

Sincerely,

Gabe Taylor
Youth Programs Coordinator
LGBT Center of Central PA
