Remuda Roundup Charity 4-Man Scramble 5/17/25

Be a part of our 20th Anniversary Celebration! Join Us in Supporting Girls High School Golf!

When Remuda Golf Course first opened its doors, girls' high school golf programs were just beginning to take shape. Over the years, we've had the privilege of watching these programs blossom. We've cheered on talented, determined young athletes as they've poured their hearts into the game. But despite their incredible progress, these programs still face challenges, often struggling to secure the resources they need to thrive.

That's why **we're inviting you to be part of something special**—a Charity Golf Tournament designed to make a difference. Together, we can raise essential funds to give every girl the chance to shine, both on and off the course. Your participation will directly support girls' high school golf programs, providing the equipment, training, and opportunities they need to compete at their best.
