COMPANY PROFILE

With a track record of more than 57 years in operation, we have one objective in mind, to help clients deliver effective and targeted communications in the right format, thereby raising value of their brands. We armed ourselves with an efficient and dedicated production team that runs 24/7, non stop.

QUALITY & SERVICE

We deliver impressions, we have been privileged to work and grow with numerous SMEs and MNCs. Our present 50,000 sq ft. premise houses some of the latest eco-friendly processes with the aim of delivering prints that impresses.

OUR MISSION

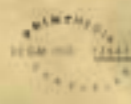

Making every cent make good sense

To enhance our customers' brand asset by offering gold standards print solutions and value added services that meets the demanding needs of learning today and leading tomorrow.

OUR VISION

Knowing & Relating

To be the best print solution provider by knowing our craft and placing our customer's interests at the forefront of our operations.

We are FSC® certified
(FSC® C126803)

WHAT DO WE OFFER?

One Stop Solution

We cater to your packaging needs. From ideas to design, production & delivery.

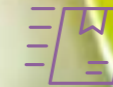

Competitive Pricing

that makes sense, save your cents to earn dollars.

Personalized Designs

by our in-house creative team for impactful branding

Customized Packages

with low MOQs to help save space and costs

Food Safe Packagings

Using only approved and certified food grade materials, assuring your customers healthy, hearty and happy meals.

Rapid Response

as a local manufacturer, we are nimble in responding to unexpected changes & challenges in this industry.

Eco-Friendly

in line with our country's green initiatives.

Because plastic is petroleum-based, it's impossible to decompose. If these plastic bits end up in the ocean, more often than not they are broken up into micro-plastics and are consumed by sea creatures.

Lets save our oceans.

FOOD PACKAGINGS

Being the leading food-grade paper manufacturer, our objective is to help local food operators promote their branding with low MOQ as well as reducing their space for inventories.
