Each S.A.F.E Scholarship application is evaluated based on five categories: **Personal**, **Accomplishments**, **Goals**, **Community Impact** and **Extras**. Applicants may be awarded between 0 and 5 points in each of these categories based on the following criteria:

	4–5 points	2–3 points	0–1 points
Personal	The applicant has provided a full picture of their personality, interests and values. They have richly demonstrated what is important to them by sharing their hobbies, passions and/or hopes for the future. They have shared hobbies, passions and/or hopes for the future that give the selection committee a general sense of the applicant's life, individuality and what makes them unique.	The applicant has provided little to no information about their personality, interests or values. They did not share hobbies, passions or hopes for the future that would enable the selection committee to gain a sense of their life, individuality or what makes them unique.
Accomplishments	The applicant shared several accomplishments, including but not limited to personal, academic, sports, advocacy or work-related efforts or achievements. The selection committee gained a clear impression of their drive, initiative or committed effort. Their commitment to achieving their goals may also be somewhat unclear.	The applicant does not clearly state their educational and personal goals for the future. This could include extensive volunteer history, ongoing or multiple instances of serving in their community, or ongoing advocacy/awareness efforts. The applicant has made an impact on their school, work, religious, local or other community, but did not include many specific or ongoing examples of volunteer work, advocacy/awareness efforts, or times they served in their community.	The applicant did not include sufficient examples of volunteer work, advocacy/awareness efforts, or times they served in their community to demonstrate their community impact to the selection committee.
Extras	Applicant has submitted multiple "Extras" in an above-and-beyond effort to help the selection committee get to know them better. These items might include (but are not limited to) up to 5 videos, drawings, poems, paintings, photographs, articles, etc. The materials they shared gave the selection committee a clear vision of their life, interests and personality.	Applicant has submitted at least one "Extra" in an effort to help the selection committee get to know them better, such as (but not limited to) a video, drawing, poem, painting, photograph, article, etc. The item/s they shared gave the selection committee some insight into their life, interests and personality.
