EXHIBIT A

NOTICE TO PURCHASERS

The real property, described below, that you are about to purchase is located in the Brazos County Municipal Utility District No. 1 (the "District"). The District's creation was confirmed by election on November 13, 2015. The District has taxing authority separate from any other taxing authority and may, subject to voter approval, issue an unlimited amount of bonds and levy an unlimited rate of tax in payment of such bonds. As of this date, the rate of taxes levied by the District on real property located in the District is \$1.00 on each \$100 of assessed valuation. The total amount of bonds, excluding any bonds or any portion of bonds issued that are payable solely from revenues received or expected to be received under a contract with a governmental entity, approved by the voters and which have been or may, at this date, be issued is:

\$235,600,000 for water, sanitary sewer, drainage and flood control facilities;
\$104,060,000 for road facilities; and

The aggregate initial principal amount of all bonds issued and payable in whole or in part from property taxes is:

\$1,590,000 for water, sanitary sewer, drainage and flood control facilities; and
\$2,000,000 for road facilities;

The District has the authority to adopt and impose a standby fee on property in the District that has water, sanitary sewer, or drainage facilities and services available but not connected and which does not have a house, building, or other improvement located thereon and does not substantially utilize the utility capacity available to the property. The District may exercise the authority without holding an election on the matter. As of this date, the most recent amount of the standby fee is \$0. An unpaid standby fee is a personal obligation of the person that owned the property at the time of imposition and is secured by a lien on the property. Any person may request a certificate from the District stating the amount, if any, of unpaid standby fees on a tract of property in the District.

The District has entered into a strategic partnership agreement (the "Agreement") with the City of College Station (the "City"). Pursuant to the Agreement, the City has agreed not to annex the entire District for full purposes for 30 years from the effective date of the Agreement. The effective date of the Agreement is May 16, 2016. Upon expiration of this term, unless otherwise extended, the City may exercise its option to annex the District without consent of the voters if the City complies with the requirements of Chapter 43, Texas Local Government Code, as amended, which may include voter approval. When a District is annexed, the District is dissolved.

The purpose of this District is to provide water and sewer, drainage and flood control and road facilities and services benefitting the District through the issuance of bonds payable in whole or in part from property taxes. The cost of these utility facilities is not included in the purchase price of your property, and these utility facilities are owned or to be owned by the District and/or another governmental entity.
