Professionally
Crafted Cabinets

You need a partner who can deliver quality cabinets on time. Every time.

Let's be frank. It's all about time and money. With warehouses all over the globe, we can deliver anywhere quickly. We also have large inventories across the U.S. to provide product backup with dedicated trucks to deliver materials on time and damage free. We provide product designs that save money to meet your budget. Speaking of budget, our professional, experienced estimating team takes the time to ask every question about your project, so you get an accurate quote every time with floor plans, elevations, perspectives, and bill of materials supplied on request.

Welcome to ProCraft

With timeless styles for every taste, our cabinetry collections offer a range of finishes and colors designed to impress.

ProCraft Cabinetry is a U.S.-based company and a quality name built on 40 years of experience in the cabinet industry. Today, ProCraft has grown into a global company with millions of square feet of manufacturing space in several countries. We offer a full line of Universal Access Cabinets that meet ADA requirements and provide turnkey jobs with installation, hardware, countertops, sinks and faucets. So no matter what you're looking for, we have a solution.

WHY IT'S EASY TO WORK WITH PROCRAFT

From our dealer portals to downloadable spec guides, we go the extra mile to make sure our sales resources are useful and up-to-date. Download them all at procraftcabinetry.com.

It's the perfect time to work with ProCraft.

You have a million decisions to make with your multifamily project. Let us help make your decision about cabinets the easy one.

We can fit any design.

We manufacture specialty cabinets meant to incorporate anything including farm sinks, microwaves, wine racks, spice racks, wooden hoods, glass doors, floating shelves, combination & wall-hung floating vanities.

Buy value today to have style tomorrow.

We strive to build cabinets to meet today's and tomorrow's designs and color trends. Our cabinet solutions are made with exceptional quality and will ensure our customers have the highest value and satisfaction.

Framed Multifamily Series

FRAMED BOX A SPECS

- Birch wood species
- 3/4" thick solid full-overlay wood door
- 3/4" thick solid wood front frame
- 1/2" plywood box construction
(Half dovetailed into front frame)
- Finished exterior end panels
- Natural interior
- Soft-close fully concealed hinges
- 5-piece recessed panel drawer face
- 5/8" dovetail wood drawer box
- Undermount full-extension soft-close drawer glides
- 3/4" plywood adjustable shelves

NOTE

Plywood is made up of layers of wood veneer glued together, alternating the grain of the wood for stability.

FRAMED BOX B SPECS

- Birch wood species
- 3/4" thick full-overlay MDF door
- 3/4" thick solid wood front frame
- 1/2" particle board box construction
(Half dovetailed into front frame)
- Natural interior
- Self-close 6-way adjustable hinges
- 5-piece recessed panel drawer face
- 5/8" particle board drawer box
- Side-mount white epoxy drawer glides
- 3/4" particle board adjustable shelves

NOTE

Particle board (also known as furniture board) is made of wood fibers glued and pressed together, sometimes using a mold.

Frameless Multifamily Series
