## Independent Auditors' Report To the Members of Empire Mall Private Limited

Report on the Audit of the financial statements

#### Opinion

We have audited the financial statements of Empire Mall Private Limited ("the Company"), which comprise the balance sheet as at 31 March 2022, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022, its profits and other comprehensive income, changes in equity and its cash flows for the year ended 31 March 2022.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143 (10) of the Act. Our responsibilities under those SAs are further described in the Auditors' Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Empire Mall Private Limited**

#### Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Management's Responsibility for the financial statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134 (5) of the Act, with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### Auditors' Responsibility for the Audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

#### **Empire Mall Private Limited**

#### Auditors' Responsibility for the Audit of the financial statements (Continued)

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we
  are also responsible for expressing our opinion on whether the Company has adequate
  internal financial controls with reference to financial statements in place and the operating
  effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Empire Mall Private Limited**

#### Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- (A) As required by Section 143 (3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief, were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act;
  - (e) On the basis of the written representations received from the directors as on 31 March 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2022 from being appointed as a director in terms of Section 164 (2) of the Act; and
  - (f) With respect to the adequacy of the internal financial controls with reference to the financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (B) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - The Company has disclosed the impact of pending litigations as on 31 March 2022 on its financial position in its financial statements - Refer Note 35 to the financial statements.
  - b) The Company did not have any long-term contracts, including derivative contracts, for which there were any material foreseeable losses.
  - c) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

MOP

#### Report on Other Legal and Regulatory Requirements (Continued)

- d) (i) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 47 to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
  - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
  - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
  - (ii) The management has represented, that, to the best of its knowledge and belief, as disclosed in Note 47 to the financial statements, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
    - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
    - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.
  - (iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (d) (i) and (d) (ii) contain any material mis-statement.
- (e) The Company has neither declared nor paid any dividend during the year.
- (C) With respect to the matter to be included in the Auditors' Report under Section 197 (16) of the Act, we report that:

According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not paid/ provided for managerial remuneration and the Ministry of Corporate Affairs has not prescribed other details under Section 197 (16) which are required to be commented upon by us.

#### Annexure A to the Independent Auditors' Report - 31 March 2022

(Referred to in Paragraph I under 'Report on Other Legal and Regulatory requirements' section our report of even date)

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and Investment Property.
  - (B) The Company does not have any intangible assets. Accordingly, paragraph 3(i)(a)(B) of the Order is not applicable to the Company.
  - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment including Investment property by which all property, plant and equipment including investment properties are verified annually. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No discrepancies were noticed on such verification.
  - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties as disclosed in the Note 4 of the financial statements are held in the name of the Company.
  - (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment or intangible assets or both during the year.
  - (e) According to information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii)(a) The inventory comprising of finished goods, has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. No discrepancies were noticed on verification between the physical stocks and the book records.
  - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned any working capital limits in excess of five crore rupees in aggregate from banks and financial institutions on the basis of security of current assets at any point of time of the year. Accordingly, clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not provided guarantee and security or granted any advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnership or any other parties. The Company has made investments and granted loans to companies during the year, in respect of which the requisite information is as below. The Company has not made investments in or granted any loans or advances in the nature of loans, secured or unsecured, to firms, limited liability partnership or any other parties during the year.

MO.

## Annexure A to the Independent Auditors' Report - 31 March 2022 (Continued)

(a) Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has provided loans to companies as below:

(Rs. in lakhs)

Particulars Particulars	Loans
Aggregate amount during the year	
- Others	2,098.57
Balance outstanding as at balance sheet date	
- Others	14,550.19

- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion, the investments made and the terms and conditions of the grant of loans are, prima facie, not prejudicial to the interest of the Company. The Company has not provided any guarantees, given security or granted any advances in the nature of loans during the year.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of the unsecured loans given to companies, the principal and interest are repayable on demand. As informed to us, the borrowers have been regular in repayment of principal and interest as demanded by the Company during the year. Further, the Company has not given any advance in the nature of loan to any party during the year.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans given. Further, the Company has not given any advances in the nature of loans to any party during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan or advance in the nature of loan granted falling due during the year, which has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to same parties.
- (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion the Company has not granted loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment except for the following loans or advances in the nature of loans to its Promoters and related parties as defined in clause (76) of section 2 of the Companies Act, 2013 ("the Act"):

NOP

## Annexure A to the Independent Auditors' Report - 31 March 2022 (Continued)

(Rs in lakhs)

	All parties	Promoters	Related Parties
Aggregate of loans			
- Repayable on demand (A)	-	-	14,550.19
- Agreement does not specify any terms or period of Repayment (B)	-	-	-
Total (A+B)		-	14,550.19
Percentage of loans / advances in nature of loan to the total loans		-	99.85%

- (iv) According to the information and explanations given to us and on the basis of our examination of records of the Company, the Company has not provided any guarantee or security as specified under Section 185 and 186 of the Act. In respect of the loans given by the Company, in our opinion the provisions of Section 185 and 186 of the Act have been complied with. In respect of the investments made by the Company, in our opinion the provisions of Section 186 of the Act have been complied with.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.
- (vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for the services provided by it. Accordingly, clause 3(vi) of the Order is not applicable.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Provident fund, Professional tax, Property tax, Cess and other statutory dues have been regularly deposited with the appropriate authorities. According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Services Tax and Income-tax have generally been regularly deposited with the appropriate authorities, though there have been slight delays in a few cases. As explained to us, the Company did not have any dues on account of wealth tax, Custom duty and Employees' State Insurance.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Services Tax, Provident fund, Professional tax, Property tax, Income-tax, Cess and other statutory dues were in arrears as at 31 March 2022 for a period of more than six months from the date they became payable.

(b)According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no statutory dues relating to Goods and Service Tax, Provident Fund, Professional tax, Property tax, Income-Tax, or Cess or other statutory dues, which have not been deposited with the appropriate authorities on account of any dispute.

## Annexure A to the Independent Auditors' Report - 31 March 2022 (Continued)

- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income-tax Act, 1961 as income during the year.
- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowing or in the payment of interest thereon to any lender.
  - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
  - (c) According to the information and explanations given to us by the management, the Company has not obtained any term loans during the year. Accordingly, clause 3(ix)(c) of the Order is not applicable.
  - (d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
  - (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures as defined under the Act.
  - (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies (as defined under the Act).
- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) Accordingly, clause 3(x)(a) of the Order is not applicable.
  - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- (xi) (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
  - (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
  - (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

## Annexure A to the Independent Auditors' Report - 31 March 2022 (Continued)

- (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv)(a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business
  - (b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.
- (xvi)(a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
  - (b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
  - (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
  - (d) The Company is not part of any group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016, as amended). Accordingly, the requirements of clause 3 (xvi) (d) are not applicable.
- (xvii) The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

## Annexure A to the Independent Auditors' Report - 31 March 2022 (Continued)

(xx) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

#### Annexure B to the Independent Auditors' Report - 31 March 2022

Report on the Internal Financial Controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to in paragraph (A) (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

#### Opinion

We have audited the internal financial controls with reference to financial statements of Empire Mall Private Limited ("the Company") as of 31 March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2022, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

#### Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

## Annexure B to the Independent Auditors' Report - 31 March 2022 (Continued)

#### Auditors' Responsibility (Continued)

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

#### Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Statement of cash flows

for the period ended 31 March 2022

The Cash flow statement has been prepared under the indirect method as set out in Indian Accounting Standard - 7 ('Ind AS 7') on Cash Flow Statement prescribed in Companies (Indian Accounting Standard) Rules, 2015, notified under section 133 of the Companies Act, 2013.

The amendments to Ind AS 7 Cash flow statements requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities and financial assets arising from financing activities, to meet the disclosure requirement. This amendment has become effective from 1st April ,2017 and the required disclosure is made below. There is no other impact on the financial statements due to this amendments.

#### Notes to the Financial statements

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

#### 1 Corporate information

Empire Mall Private Limited (the Company) is a company domiciled in India and incorporated under the pronotevisions of the Companies Act, 1956. The Company is engaged in the business of developing, owning and operating of shopping malls and commercial premises.

#### 2.1 Basis of preparation

#### (a) Statement of compliance

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 (the Act) and other relevant provisions of the Act and amendments, as applicable.

These financial statements for the year ended 31 March 2022 have been reviewed by the Audit Committee and approved by the Board of Directors at their meetings held on 28 May 2022.

Details of accounting policies are included in Note 2.2 to the financial statements.

#### (b) Basis of measurement

These Financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value (refer note 2.2 (A))
Net defined benefit (asset) / liability	Fair value of plan assets less present value of defined obligations

#### (c) Functional and presentation currency

These Financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All the financial information have been presented in Indian Rupees (INR) and all amounts have been rounded-off to the nearest lakhs, unless otherwise stated.

#### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

#### 2.1 Basis of preparation (Continued)

#### (d) Use of estimates and judgements

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

#### Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending 31 March 2022 is included in the following notes:

- Note 6 recognition of deferred tax assets: availability of future taxable profit against which tax losses carried forward can be used;
- Note 36 measurement of defined benefit obligations: key actuarial assumptions:
- Notes 21, 25 and 35 recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources;
- Note 39 impairment of financial assets and
- Note 2.2 (B) and 2.2 (C) estimation of useful life of property, plant and equipment and investment properties.
- Note 2.2 (C) estimation of fair value of investment property
- Note 2.2 (G) and 43- Evaluation of satisfaction of performance obligation at a point in time for the purpose of revenue recognition.

#### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

#### 2.1 Basis of preparation (Continued)

#### (e) Measurement of fair values

A number of the Company's accounting policies and disclosures require measurement of fair values, for both financial and non-financial assets and liabilities.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1: quoted prices (unadjusted) in active markets for identical assets and liabilities.
- Level 2: inputs other than quotes prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirely in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in measuring fair values is included in the following notes:

- Note 39 financial instruments and
- Note 4 investment property

#### (f) Current and non-current classification

All assets and liabilities are classified into current and non-current.

An asset is classified as current when it satisfies any of the following criteria:

- (a) it is expected to be realised in, or is intended for sale or consumption in, the entity's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is expected to be realised within twelve months after the balance sheet date; or
- (d) it is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the balance sheet date.

All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

(a) it is expected to be settled in, the entity's normal operating cycle;

(b) it is held primarily for the purpose of being traded;

#### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

#### 2.1 Basis of preparation (Continued)

#### (f) Current and non-current classification (Continued)

- (c) it is due to be settled within twelve months after the balance sheet date; or
- (d) The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the balance sheet date.

All other liabilities are classified as non-current.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out above which are in accordance with the Schedule III to the Act.

Based on the nature of services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

#### (g) Going concern

The Company is engaged in the business of mixed used development at Aurangabad. Based on the future business plans and cash flows of the Company, the management believes that the Company, as at 31 March 2022, will continue to operate as a going concern for the foreseeable future, realise its assets and discharge its liabilities as they fall due for payment, in the normal course of business

#### (h) Recent Accounting Developments

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. Ministry of Corporate Affairs (MCA), vide notification dated 23rd March, 2022, has made the following amendments to Ind AS which are effective 1st April, 2022:

- a. Ind AS 109: Annual Improvements to Ind AS (2021)
- b. Ind AS 103: Reference to Conceptual Framework
- c. Ind AS 37: Onerous Contracts Costs of Fulfilling a Contract
- d. Ind AS 16: Proceeds before intended use

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

#### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

#### 2.2 Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

#### A. Financial instruments

#### (i) Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

#### (ii) Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- amortised cost;
- FVOCI debt investment;
- FVOCI equity investment; or
- FVTPL

#### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

#### 2.2 Significant accounting policies (Continued)

#### A. Financial instruments (Continued)

#### (ii) Classification and subsequent measurement (Continued)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may the Company has elected the irrevocable option to present subsequent changes in the investment's fair value in OCI (designates as FVOCI – equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortized cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortized cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces on accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Company makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management. The information considered includes the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profit,

- matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realizing cash flows through the sale of the assets;
- how the performance of the portfolio is evaluated and reported to the Company's management;
  - the risk that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;

#### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

#### 2.2 Significant accounting policies (Continued)

#### - Financial instruments (Continued)

- how managers of the business are compensated e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Company's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- contingent events that would change the amount or timing of cash flows:
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Company's claim to cash flows from specified assets (e.g. non-recourse features)

A prepayment feature is consistent with the solely payments of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Financial assets: Subsequent measurement and gains and losses

#### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

#### 2.2 Significant accounting policies (Continued)

#### A. Financial instruments (Continued)

Financial assets at FVTPL- These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.

Financial assets at amortised cost-These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

Debt investments at FVOCI- These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to profit or loss.

Equity investments at FVOCI - These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

#### (iii) Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

#### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

#### 2.2 Significant accounting policies (Continued)

#### A. Financial instruments (Continued)

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

#### (iv) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

#### (v) Compound financial instruments

Compound financial instruments issued by the company comprises of convertible debentures denominated in INR that can be converted to equity shares at the option of the holder, wherein the number of shares to be issued is fixed and does not vary with changes in fair value.

The liability component of a compound Financial instrument is initially recognised at the fair value which represents the present value of all future cash receipts discounted using the prevailing market rate of interest for a similar instrument without conversion option with a similar credit rating. The Equity component is initially recognised as the difference between fair value of the compound financial instrument as a whole and the fair value of the liability component. Any directly attributable transaction costs are allocated to the liability and equity components in proportion to their initial carrying amounts.

#### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

#### 2.2 Significant accounting policies (Continued)

#### B. Property, plant and equipment

#### (i) Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

#### (ii) Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

#### (iii) Depreciation

Depreciation on Property, Plant and Equipment of the company has been provided as per written down value method as per the estimated useful lives of the respective item of Property, Plant and Equipment indicated in Part 'C' of Schedule II of the Act.

The details are set out as below:

Asset	Useful life as per Schedule II of the act
Furniture and fixtures	10 years
Vehicles	8 years
Computers	3 years

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on technical evaluation and consequent advice, the management believes that its estimates of useful lives as given above best represent the period over which management expects to use these assets.

#### (iv) Capital work-in progress and capital advances

Capital work-in progress comprises of the cost of property, plant and equipment that are not yet ready for their intended use as at the balance sheet date. Advances given

#### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

#### 2.2 Significant accounting policies (Continued)

#### B. Property, plant and equipment (Continued)

towards acquisition of property, plant and equipment outstanding at each balance sheet date are disclosed as 'Other non-current assets'.

#### C. Investment Property

#### (i) Recognition and measurement

Investment properties are held to earn rentals or for capital appreciation, or both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes. Investment properties are measured initially at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any.

#### (ii) Subsequent expenditure

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognized in statement of profit and loss as incurred. Any gain or loss on disposal of investment property calculated as the difference between the net proceeds from disposal and the carrying amount of the item is recognized in Statement of Profit and Loss.

Though the Company measures investment property using cost-based measurement, the fair value of investment property is disclosed in the note no 4 of the Financial statements.

#### (iii) Depreciation

láth Finor.

Depreciation on Investment Property has been provided as per written down value method as per the useful lives indicated in Part 'C' of Schedule II of the Act.

The details are set out as below:

Asset	Useful life estimated by the management	Useful life as per Schedule II of the act
Leasehold Land	Amortised over the primary period of the lease	Amortised over the primary period of the lease
Plant and equipment	15 years	15 years
Buildings	60 years	60 years
Buildings (Tenant Capex)	Over the period of lease term	60 years

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on technical evaluation and consequent advice, the management believes that its estimates of useful lives as given above best represent the period over which management expects to use these assets.

#### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

#### 2.2 Significant accounting policies (Continued)

#### D. Impairment

#### (i) Impairment of financial instruments

The Company recognises loss allowances for expected credit losses on:

- financial assets measured at amortized cost: and
- financial assets measured at FVOCI- debt investments.

At each reporting date, the Company assesses whether financial assets carried at amortized cost and debt securities at FVOCI are credit impaired. A financial asset is

'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

The Company measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- debt securities that are determined to have low credit risk at the reporting date; and
- other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

#### Trade and other receivables

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. Trade receivables are tested for impairment on a specific basis after considering the sanctioned credit limits, security like letters of credit, security deposit collected, etc. and expectations about future cash flows.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and

#### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

#### 2.2 Significant accounting policies (Continued)

#### D. Impairment

#### (i) Impairment of financial instruments (Continued)

analysis, based on the Company's historical experience and informed credit assessment and including forward looking information.

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the

cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

For debt securities at FVOCI, the loss allowance is charged to profit or loss and is recognised in OCI.

Write off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generated sufficient cash flows to be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

#### (ii) Impairment of non-financial assets

The Company's non-financial assets, other than deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. Goodwill is tested annually for impairment.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

Goodwill arising from a business combination is allocated to CGUs or groups of CGUs that are expected to benefit from the synergies of the combination.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

The Company's corporate assets (e.g. central office building for providing support to various CGUs) do not generate independent cash inflows. To determine impairment of the various CGUs of the company's corporate assets (e.g. central office building for providing support to various CGUs) do not generate independent cash inflows. To determine impairment of the company's corporate assets (e.g. central office building for providing support to various CGUs) do not generate independent cash inflows.

(Currency: Indian Rupees in Lakhs)

#### 2.2 Significant accounting policies (Continued)

#### D. Impairment (Continued)

#### (ii) Impairment of non-financial assets (Continued)

a corporate asset, recoverable amount is determined for the CGUs to which the corporate asset belongs.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

An impairment loss in respect of goodwill is not subsequently reversed. In respect of other assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

#### E. Employee benefits

8 Co. 14th Floor, Central B Wang and

#### (i) Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

#### (ii) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contribution into a separate entity and will have no legal or constructive obligation to pay further amounts.

The Company makes specified monthly contributions towards Government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

Mumbai

#### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

#### 2.2 Significant accounting policies (Continued)

#### E. Employee benefits (Continued)

#### (iii) Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that

employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plan are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

#### (iv) Other long-term employee benefits

The Company net obligation in respect of long-term employee benefits other than postemployment benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any related assets is deducted. The obligation is measured on the basis of an annual independent actuarial valuation using the projected unit credit method. Remeasurement gains or losses are recognises in profit or loss in the period in which they arise.

#### (v) Provisions and contingent liabilities

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an

Mumbai

#### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

#### 2.2 Significant accounting policies (Continued)

#### E. Employee benefits (Continued)

outflows of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessment of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost. Expected future operating losses are not provided for.

Contingent liabilities are disclosed in the notes. Contingent liabilities are disclosed for,

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognised in the standalone financial statements. However, the same are disclosed in the standalone financial statements where an inflow of economic benefit is probable.

#### F. Revenue recognition

Ind AS 115 has been notified by Ministry of Corporate Affairs (MCA) on March 28, 2018 and is effective from accounting period beginning on or after April 01, 2018.

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

#### (i)Revenue from real estate projects

The Company has applied modified retrospective approach in adopting the new standard (for all contracts other than completed contracts) and accordingly recognised revenue in accordance with Ind AS 115 as compared to earlier Percentage of Completion method as per the Guidance Note on Accounting for Real Estate Transactions (for entities to whom Ind AS is applicable).

These financial statements is prepared in accordance with Ind AS 115, an explanation of how the transition to Ind AS 115 has affected the previously reported financial position, financial performance and cash flows of the Company is provided in Note

The Company derives revenues primarily from sale of properties comprising of commercial units.

The Company recognises revenue when it determines the satisfaction of performance obligations at a point in time. Revenue is recognised upon transfer of control of promised products to customer in an amount that reflects the consideration which the Company expects to receive in exchange for those products.

### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

### 2.2 Significant accounting policies (Continued)

### F. Revenue recognition (Continued)

In arrangements for sale of units the Company has applied the guidance in Ind AS 115, Revenue from contract with customer, by applying the revenue recognition criteria for each distinct performance obligation. The arrangements with customers generally meet the criteria for considering sale of units as distinct performance obligations. For allocating the transaction price, the Company has measured the revenue in respect of each performance obligation of a contract at its relative

standalone selling price. The price that is regularly charged for an item when sold separately is the best evidence of its standalone selling price. The transaction price is also adjusted for the effects of the time value of money if the contract includes a significant financing component. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer.

For sale of units, the Company recognises revenue when its performance obligations are satisfied and customer obtains control of the asset.

Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Contract liabilities are recognised when there is billing in excess of revenue and advance received from customers.

### (ii) Revenue from operations

Revenue is recognised in accordance with the Guidance Note on "Accounting for Real Estate Transactions (for entities to whom Ind AS is applicable)" issued by the Institute of Chartered Accountants of India ("ICAI").

Revenue from sale of properties under construction is recognized on the basis of percentage of completion method subject to transfer of significant risk and rewards to the buyer and outcome of the real estate project can be estimated reliably.

Percentage of completion is determined with reference to the entire project cost incurred versus total estimated project cost determined based upon the judgment of management. Accordingly, cost of construction/ development is charged to Statement of Profit and Loss in proportion to the revenue recognized during the year and balance costs are carried as part of 'Project Work in Progress' under inventories. Amounts receivable/received are reflected as Debtors/Advances from Customers, respectively, after considering income recognized in the aforesaid manner. The estimates of saleable area and costs are revised periodically by the management and are considered as change in estimate accordingly, the effect of such changes to estimates is recognized in the year when such changes are determined.

Privat

Mumbai

Latter Description of Part American Communication of Part American

### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

### 2.2 Significant accounting policies (Continued)

### F. Revenue recognition (Continued)

Land and transferable development rights (TDR) cost is not included in computing the percentage of project completion for recognizing revenue.

Ind AS 115 has been notified by Ministry of Corporate Affairs (MCA) on March 28, 2018 and is effective from accounting period beginning on or after April 01, 2018.

Revenue from sale of completed properties is recognised upon the transfer of significant risks and rewards to the buyer i.e revenue is recognized either on execution of an agreement or a letter of allotment or a letter of intent.

### (iii) Dividend Income

Dividend income is recognized in the statement of profit and loss on the date the entity's right to receive the payments is established.

### (iv) License fees and rental income

License and rental income is recognised in the Statement of Profit and Loss on straight line basis over the lease term. Rental income earned from letting of space at the properties is recognised in the period in which the performance obligation is satisfied.

### (v) Service charges

Service charges include common area maintenance, HVAC charges and parking charges in respect of which revenue is recognised in the period in which the services are being rendered.

### (vi) Other operating revenue

Other operating revenue includes space on hire and kiosk income in respect of which revenue is recognised in the period in which the services are being rendered.

All revenue is stated exclusive of goods and service tax.

### (vii) Recognition of interest income or expense

Interest income or expense is recognised using the effective interest method.

The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to:

- -the gross carrying amount of the financial asset; or
- -the amortised cost of the financial liability.

In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset that have become credit-impaired) or to the amortised cost of the liability. However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

### 2.2 Significant accounting policies (Continued)

### F. Revenue recognition (Continued)

### Use of significant judgements in revenue recognition

Judgement is also required to determine the transaction price for the contract. The transaction price could be either a fixed amount of customer consideration or variable consideration with elements such as volume discounts, price concessions and incentives. The transaction price is also adjusted for the effects of the time value of money if the contract includes a significant financing component. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur and is reassessed at the end of each reporting period. The Company allocates the elements of variable considerations to all the performance obligations of the contract unless there is observable evidence that they pertain to one or more distinct performance obligations.

### G. Leases

### (i) Policy applicable before April 01, 2019

Finance Lease - Agreements are classified as finance leases, if substantially all the risks and rewards incidental to ownership of the leased asset is transferred to the lessee.

Operating Lease - Agreements which are not classified as finance leases are considered as operating lease.

Operating lease payments/income are recognised as an expense/income in the statement of profit and loss on a straight line basis over the lease term unless there is another systematic basis which is more representative

### (ii) Policy applicable after April 01, 2019

At the inception of a contract, the Company assesses whether a contract is or contains, a lease. A contract is or contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange of consideration. To assess whether a contract conveys the right to control the use of an asset the Company assesses whether:

- The contract involves the use of an identified asset – this may be specified explicitly or implicitly, and should be physically distinct or represent substantially all of the capability of a physical distinct asset. If the supplier has a substantive substitution right, then the asset is not identified

- The Company has the right to obtain substantially all of the economic benefits from use of the asset throughout the period of use; and

### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

### 2.2 Significant accounting policies (Continued)

### G. Leases (Continued)

### (ii) Policy applicable after April 01, 2019

- The Company has the right to direct the use of the asset. The Company has this right when it has the decision making rights that are most relevant to changing how and for what purpose the asset is used.

### As a Lessee

### Right of use Asset

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. At the commencement date, a lessee shall measure the right-of-use asset at cost which comprises initial measurement of the lease liability, any lease payments made at or before the commencement date, less any lease incentives received, any initial direct costs incurred by the lessee; and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset, restoring the site on which it is located or restoring the underlying asset to the condition required by the terms and conditions of the lease.

### Lease Liability

At the commencement date, a lessee shall measure the lease liability at the present value of the lease payments that are not paid at that date. The lease payments shall be discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the lessee shall use the lessee's incremental borrowing rate.

### H. Income tax

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

### (i) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Mumbai

### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

### 2.2 Significant accounting policies (Continued)

H. Income tax (Continued)

### (ii) Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for the financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction;
- temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised / reduced to the extent that it is probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax assets and liabilities will be realised simultaneously.

Minimum Alternate Tax ('MAT') credit entitlement is generally recognised as a deferred tax asset if it is probable (more likely than not) that MAT credit can be used in future years to reduce the regular tax liability.

### Note on Section 115BAA

A new section 115BAA was inserted in the Income Tax Act. 1961, by The Government of India on 20 September 2019 vide the Taxation Laws (Amendment) Ordinance 2019 which provides an option to companies for paying income tax at reduced rates in accordance with the provisions/conditions defined in the said section. The Company has decided to exercise the said option in preceding financial year.

### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

### 2.2 Significant accounting policies (Continued)

### I. Borrowing cost

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

### J. Foreign exchange translation and accounting of foreign exchange transaction

### (i) Initial Recognition

Foreign currency transactions are initially recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. However, for practical reasons, the Company uses a monthly average rate if the average rate approximates the actual rate at the date of the transactions.

### (ii) Conversion

Monetary assets and liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

### (iii) Treatment of Exchange Difference

Exchange differences arising on settlement/ restatement of short-term foreign currency monetary assets and liabilities of the Company are recognized as income or expense in the Statement of Profit and Loss.

### K. Earnings per share

tam Peop and

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period, adjusted for own shares held. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

### Notes to the Financial statements (Continued)

for the year ended 31 March 2022

(Currency: Indian Rupees in Lakhs)

### 2.2 Significant accounting policies (Continued)

### L. Cash and cash equivalents

Cash and cash equivalent comprise of cash on hand and at banks and cheques on hand, which are subject to an insignificant risk of changes in value.

### M. Inventories

Direct expenses like site labour cost, material used for project construction, project management consultancy and general expenses incurred specifically for the commercial project like insurance, design and technical assistance, borrowing costs and construction overheads are taken as the cost of project work-in-progress.

These inventories are valued at lower of cost or net realisable value; cost is determined on the weighted average method. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

### B. Measurement of fair values

i. Fair value hierarchy

The fair value of investment property has been determined by external, independent property valuer, having appropriate recognised professional qualifications and recent experience in the location and category of the property being valued.

The fair value measurement for the investment property has been categorised as a Level 3 fair value based on the inputs to the valuation technique used.

ii. Valuation technique

The companies investment properties consist of Retail Mall and Land Aurangabad. Description of valuation techniques used and key inputs to valuation on investment properties are as follows:

Туре	Valuation technique	Significant unobservable inputs	Inter-relationship between significant unobservable inputs and fair value measurement
Investment property	DCF method (refer below)	Discount Rate;     Market capitalisation rate	16.5% to 18%; 11%

The Company follows discounted cash flow (DCF) method. The DCF method is a financial modelling technique based on explicit assumptions regarding the prospective income arising out of the development to be carried out on the subject land parcel. In case of a valuation of a large land parcel like the subject property, where the development potential is realised over a period of time (i.e. time value of money comes into the picture) and also where there are no or few immediate similar properties (i.e. comparable) available for comparison, the DCF method considering relevant potential developments of the project is used.

<sup>\*</sup> Land and building are mortgaged/hypothecated against the lease rental discounting loan taken from Financial Institution. (refer note 18).

- a) Rs. 8,946.43 Lakhs (31 March 2021: Rs. 8,966.07 Lakhs) term loan from Financial Institution carrying interest @ 10.60 % p.a. (previous year 10.60 % p.a.) (floating rate). The loan is repayable in 180 monthly installments of Rs 10,797,671/- inclusive of interest starting from May, 2017. The loan is secured by way of equitable mortgage of land and buildings thereon in Aurangabad, rent receivables from both present and future income from Prozone Mall, against sold and unsold units of Inventories. The above loans are further secured by corporate guarantee of the Ultimate Holding Company Prozone intu Properties Limited. One time restructuring of loan as prescribed by RBI due to covid is implemented by financial institution in current financial year.
- b) Rs. 8,501.52 Lakhs (31 March 2021: Rs. 7,829.51) term loan from Financial Institution carrying interest @ 10.50 % p.a. (previous year 10,50% p.a.) (floating rate). The loan is repayable in 175 monthly structured installments inclusive of interest starting from October 2019. The loan is secured by way of equitable mortgage of land and buildings thereon in Aurangabad, rent receivables from both present and future income from Prozone Mall. The above loans are further secured by corporate guarantee of the Ultimate Holding Company Prozone Intu Properties Limited. One time restructuring of loan as prescribed by RBI due to covid is implemented by financial institution in current financial year.

The Company's exposure to interest rate and liquidity risks are disclosed in note 39 to the financial statements.

c) As per RBP's Policy, the Company has availed the relief provided by its lender by way of moratorium on principal and interest repayments on the loans taken from financial institutions and thus the repayment schedule has been modified accordingly.

Note 35: Contingent liabilities and committments are given below:

### A) Commitments

Estimated amount of contracts remaining to be executed on capital account not provided for (net of advances) Rs. Nii (31 March 2021: Rs.Nii)

### B) Contingent liabilities

- i) Guarantee given by Bank on behalf of the Company Rs. 115.60 Lakhs (31 March 2021: Rs. 115.60 Lakhs).
- ii) Disputed demand in respect of Property tax amounting to Rs Nil Lakhs (31 March 2021: Rs 73.87 Lakhs). (The Company has paid under protest Rs Nil Lakhs (31 March 2021: Rs Nil Lakhs). This has been settled during this financials year.
- iii) Claims against the Company, not acknowledged as debts Rs Nil (31 March 2021: Rs Nil)
- iv) Disputed demand in respect of electricity charges amounting to Rs. 644.66 Lakhs (31 March 2021: Rs 644.66 Lakhs). (The Company has filed appeal against the same and deposited under protest Rs 322.33 Lakhs (31 March 2021: Rs 322.33 Lakhs ) on 3 May 2017 against the same.
- principles based on which allowances paid to the employees should be identified for inclusion in basic wages for the purposes of computation of Provident v) "The Hon'ble Supreme Court of India ("SC") by their order dated February 28, 2019, in the case of Surya Roshani Limited & others v/s EPFO, set out the Fund contribution. Company has also made provision of provident fund liability till 31 March 2022 and even paid the same in current financial year.

Notes to the financial statements (Continued) as at 31 March 2022

(Currency: Indian Rupees in Lakhs)

Note 36: Disclosure relating to employee benefits as per Ind AS 19 'Employee Benefits'

### I) Defined benefit obligations and short-term compensated absences

### Defined benefit plan

The gratuity plan is governed by the Payment of Gratuity Act,1972 under which an employee who has completed five years of service is entitled to specific benefits. The level of benefits provided depends on the member's length of service and salary at retirement age.

The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

### Short-term compensated absences

27 days of privilege leave for staff is allowed each year. Unutilised leave can be carried forward to the extend of 42 days of leave, If the same not availed in calendar year then the same will be lapsed.

### Note 38: Segment reporting as required under Indian Accounting Standard 108, "Operating Segments"

Based on the "management approach" as defined in Ind AS 108 – Operating Segments, the managing director / director evaluates the Group's performance based on an analysis of various performance indicators by business segment. Accordingly information has been presented along these segments. The accounting principles used in the preparation of the financial statement are consistently applied in individual segment to prepare segment reporting. The Group is organised into business units based on its services and has two reportable segments, as follows:

- 1. Leasing.
- 2. Outright Sales

### a) Information about Primary Segments - Business Segments

Note 39: Financial instruments – Fair values and risk management (Continued):

### B) Financial risk management

The Company has exposure to the following risks arising from financial instruments:

a. credit risk;

b. liquidity risk; and

c. market risk

d. other risk

### Risk management framework

recommends risk management objectives and policies, which are approved by Board of Directors. The activities of this department include management of cash resources, market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company manages borrowing strategies, and ensuring compliance with market risk limits and policies. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment.

management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both The audit committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk regular and adhoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

### a. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. The carrying amounts of financial assets represent the maximum credit exposure.

# Notes to the financial statements (Continued)

Note 39: Financial instruments – Fair values and risk management (Continued):

### B) Financial risk management

### Trade receivables

extension of credit to customers. To manage credit risk, the Company periodically assesses the financial reliability of the customer, taking into account the financial condition, assessment of recoverability. Receivables are provided as doubtful / written off, when there is no reasonable expectation of recovery. Where receivables have been provided / outstandings. The Company is not exposed to concentration of credit risk to any one single customer since services are provided to vast spectrum. The Company also takes current economic trends, and analysis of historical bad debts and ageing of accounts receivables. Outstanding customer receivables are regularly monitored to make an The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for written off, the Company continues regular follow up, engage with the customers, legal options / any other remedies available with the objective of recovering these security deposits, advances, post dated cheques etc from its customers, which mitigate the credit risk to an extent.

### Cash and cash equivalents

The Company held cash and cash equivalents with credit worthy banks of Rs. 1151.69 Lakhs and Rs 444.77 lakhs as at 31 March 2022 and 31 March 2021 respectively. The credit worthiness of such banks and financial institutions is evaluated by the management on an on going basis and is considered to be good.

### Exposure to credit risk

The allowance for impairment in respect of trade receivables during the year was Rs 71.93 lakhs (2021: Rs 14.79 lakhs)

The gross carrying amount of financial assets, net of impairment losses recognised represents the maximum credit exposure. The maximum exposure to credit risk as at 31 March 2022 and 31 March 2021 is as follows:

**************************************		
rancellars	31 March 2022	31 March 2021
Financial assets for which loss allowances are measured using 12 months Expected		
Credit Losses (ECL):		
i fade receivables	189.31	117.38

\* The management believes that the unimpaired amounts that are past due are still collectible in full, based on historical payment behaviour and extensive analysis of customer

The movement in the allowance for impairment in respect of trade and other receivables during the year was as follows.

Hingmoin Robilition (Domestin		
A LIGHTON HAVIII CS (DOITOWINGS)	(17.211.55)	(16.536.77)

Fair value sensitivity analysis for fixed-rate instruments

The Company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in IND AS 107, since neither the carrying amount nor the future cash flow will fluctuate because of a change in market interest rates. The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

A ALLUMIALS	31 March 2022	31 March 2021
notease in this points  Effect on loss before tax, increase by	50 basis points 86.06	50 basis points 82.68
Decrease in basis points Effect on loss before tax, decrease by	50 basis points 86.06	50 basis points 82.68

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly lower volatility than in prior years.

Foreign currency risk

wany are denominated in Indian Rupees. The Company has negligible exposure to currency risk since almost all the transportions of the

Commodity and Other price risk

The Company is not exposed to the commodity and other price risk.

### d. Other risk - On account of covid

In March 2020, World Health Organization has declared COVID 19 a pandemic. Consequent to this, Government of India declared lockdown on March 23, 2020 This has government. The company believes that the COVID 19 pandemic will only have a short to medium term impact on its operations and post easing of the lockdown, the resulted in disruption to regular business operations due to disruptions in transportation, quarantines, social distancing and other emergency measures imposed by the business is expected to be normal gradually in 9-12 months.

this pandemic, the company as at the date of approval of these financial results has used internal and external sources of information to assess the expected future performance capital work in progress, investments, loans, receivables etc. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of considered the possible effects that may result from the COVID-19 pandemic on the carrying value of assets (including property, plant and equipment, investment property, The company has taken various measures to reduce its fixed cost for example, salary reductions, optimization of administrative costs etc. The company management has of company and expects that the carrying amount of these assets, as reflected in the balance sheet as at March 31, 2022, are fully recoverable.

its assets and in meeting its liabilities as and when they fall due. The actual impact of the COVID-19 pandemic may be different from that estimated as at the date of approval The management has also estimated the future cash flows with the possible effects that may result from the COVID-19 and does not foresee any adverse impact on realizing of these financial results.

The company will continue to closely monitor any material changes to future economic conditions

### Notes to the financial statements (Continued)

as at 31 March 2022

(Currency: Indian Rupees in Lakhs)

### Note 40: Capital Management

The Company manages the capital structure by a balanced mix of debt and equity. Necessary adjustments are made in the capital structure considering the factors vis-a-vis the changes in the general economic conditions, available options of financing and the impact of the same on the liquidity position. Higher leverage is used for funding more liquid working capital needs and conservative leverage is used for long-term capital investments. No changes were made in the objectives, policies or processes during the financial year ended 31 March 2022. The Company calculates the level of debt capital required to finance the working capital requirements using traditional and modified financial metrics including leverage/gearing ratios and asset turnover ratios.

As of balance sheet date, leverage ratios is as follows:

Particulars Particulars	31 March 2022	31 March 2021
Total debt (Refer note 18)	17,211.55	16,536.77
Less: cash and bank balances (Refer note 12 and 13)	1,713.71	605.22

### Notes to the financial statements (Continued)

as at 31 March 2022

(Currency: Indian Rupees in Lakhs)

### f) Performance obligation

The Company is engaged in the business of developing, owning and operating of shopping malls, commercial and residential premises.

All the contracts entered with the customers consists of a single performance obligation thereby the consideration allocated to the performance obligation is based on standalone selling prices.

Revenue is recognised upon transfer of control of retail, residential and commercial units to customers for an amount that reflects the consideration which the Company expects to receive in exchange for those units. The trigger for revenue recognition is normally completion of the project or receipt of approvals on completion from relevant authorities or intimation to the customer of completion, post which the contract becomes non-cancellable by the parties.

The revenue is measured at the transaction price agreed under the contract. In certain cases, the Company has contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, the Company adjusts the transaction price for the effects of a significant financing component.

Any costs incurred that do not contribute to satisfying performance obligations are excluded from the Company's input methods of revenue recognition as the amounts are not reflective of our transferring control of the system to the customer. Significant judgment is required to evaluate assumptions related to the amount of net contract revenues, including the impact of any performance incentives, liquidated damages, and other forms of variable consideration.

If estimated incremental costs on any contract, are greater than the net contract revenues, the Company recognises the entire estimated loss in the period the loss becomes known.

### g) Transaction price allocated to remaining performance obligation

The aggregate amount of the transaction price allocated to the performance obligations that are unsatisfied (or partially unsatisfied) as at March 31, 2022 is Rs 597.4 lakhs (as at March 31, 2021 is Rs 710.61 lakhs), which will be recognised as revenue over a period of 2-3 years.

The Company applies practical expedient of Ind AS 115 and does not disclose information about the amount of the transaction price allocated to the remaining performance obligation and an explanation of when the entity expects to recognise that amount as revenue for all reporting periods presented before the date of initial application.
